

## Contents

- 14 *Are non-offending adult men, who are sexually interested in children, in need of therapy?*  
Katarina Alanko
- 15 *Early interventions with young people who display harmful sexual behaviour online*  
Stuart Allardyce
- 16 *Evaluation of the implementation of Circles of Support and Accountability (CoSA) in Catalonia: The first five years.*  
Antonio Andrés-Pueyo, Thuy Nguyen & Manel Capdevila
- 17 *Towards a better understanding of incest: A review of sibling and father-daughter incest*  
Kelly M. Babchishin
- 18 *Users of Child Sexual Exploitation Material: A review*  
Kelly M. Babchishin
- 19 *Using psychopathy to identify differences between variants of adolescent sex offenders*  
Ricardo Barroso, Patricia Figueiredo & Kostas Fanti
- 20 *A new approach to treating sexual fantasies? Using bilateral eye-movements to impair the experience of sexual fantasies*  
Ross M. Bartels & Nikki Beard
- 21 *Exploring the factor structure of Gray et al.'s (2003) Sexual Fantasy Questionnaire*  
Ross M. Bartels & Craig A. Harper
- 22 *Validation of the original method measuring coping using sex in prisoners*  
Dominika Bartoszak
- 23 *Challenges and debates in risk assessment: Moving the field forward or not?*  
Anthony R. Beech
- 24 *Risk factors for sexual offending indicating innovative approaches to treatment*  
Anthony R. Beech
- 25 *Exploring barriers to prevention: When therapeutic confidentiality cannot be guaranteed*  
Sarah M. Beggs Christofferson
- 26 *A study of a new psychiatric/psychological unit working with the Roman Catholic Church in France following the revelation of a number of cases of pedophilia and sexual aggression*  
Wayne Bodkin, Mathieu Lacambre, Céline Baïs, Magali Teillard-Dirat, Stéphane Bonnet, Cyril Manzanera, Cindy Prudhomme & Philippe Courtet
- 27 *Clinical utility of the standardized risk levels in a high-risk/need treatment centre*  
Andrew Brankley & Drew Kingston

- 
- 28 *Pedophilic individuals represent a distinct group: A taxometric analysis of adult males evaluated for sexual dangerousness in Massachusetts*  
Andrew Brankley, Raymond A. Knight & R. Karl Hanson
- 29 *What's behind the screen? New insights on offending and victimisation depicted in Child Sexual Abuse and Exploitation Material*  
Margaret Brennan
- 30 *Neurobiology of pedophilia or paraphilia? Towards a 'Grand Unified Theory' of sexual interests*  
James M. Cantor
- 31 *Pedophilia and the brain: The three big questions now asked and answered*  
James M. Cantor
- 32 *How can we better assess both the risks and strengths of women who committed a sexual offence?*  
Cristiana Cardoso
- 33 *Gender, sexual arousal, and sexual desire*  
Meredith L. Chivers
- 34 *Understanding the needs of minor attracted persons*  
Carisa Collins
- 35 *Female sexual offenders: A special subgroup*  
Franca Cortoni
- 36 *Gender-informed assessment and treatment approaches with women who sexually offend*  
Franca Cortoni
- 37 *Sex offending across the lifespan: What do we know?*  
Rebecca Crookes, Sarah Brown, Kate Walker, Carlo Tramontano, & Hayley Wright
- 38 *Adapted Circles of Support and Accountability for people with intellectual disabilities or autism*  
Richard Curen
- 39 *"You wouldn't believe what she did" – A female sexual victim/offender, her children and the law*  
Richard Curen
- 40 *Relationships between perpetrators of multiple perpetrator sexual offending: Implications for treatment*  
Teresa da Silva, Leigh Harkins & Jessica Woodhams
- 41 *Rape proclivity and related constructs*  
Laleh Dadgardoust
- 42 *Let's talk about (deviant) sexual interests: How Stop it Now! Flanders supports people with pedophilic feelings and their inner circle.*  
Minne De Boeck & Charlotte De Pourcq

- 43 *Stop it Now! Flanders (BE) and the Netherlands: Prevention of child sexual abuse and support of people with pedophilic feelings.*  
Minne De Boeck & Ellen Janssen
- 44 *It is possible! Victims and offenders think together about the prevention of sexually transgressive behavior.*  
Stijn De Hert
- 45 *Examining somnophilia and its related constructs: Introducing the Somnophilic Interest and Proclivity Scale (SIPS)*  
Elizabeth Deehan & Ross M. Bartels
- 46 *Dynamic factors and desistance among sex offenders: impact on reintegration in the society*  
Denis Delannoy, Emilie Telle, Luc Robert, Ilena Strzoda & Thierry H. Pham
- 47 *An example in France of a father sexual abuser's treatment after his sentence: What works and what does not work?*  
Adelyne Denis & Déborah Chauwin
- 48 *Pathways in the offending patterns of woman who sexually assault children with their spouse*  
Marion Desfachelles & Franca Cortoni
- 49 *Acquisition learning in child molesters*  
Tineke Dillien, Kris Goethals, Bernard Sabbe, Inti A. Brazil
- 50 *Reinforcement learning in child molesters*  
Tineke Dillien, Kris Goethals, Bernard Sabbe & Inti A. Brazil
- 51 *Childhood experience of care and abuse among sex offenders*  
Claire Ducro
- 52 *Criminal, socio-demographic, diagnostic and treatment characteristics of sex offenders in Belgium: a longitudinal study*  
Claire Ducro, Emilie Telle & Thierry H. Pham
- 53 *Predictive validity of the Static-99R, Static2002R, BARR-2002R, SORAG and VRAG-R evaluations among released sex offenders in Belgium*  
Claire Ducro & Thierry H. Pham
- 54 *Recidivism rates of released sex offenders in Belgium*  
Claire Ducro, Emilie Telle & Thierry H. Pham
- 55 *Living with my sexual interest: The experiences of individuals in the community who self-identify as attracted to children*  
Helen Elliott & Rebecca Lievesley
- 56 *Determining sexual offender profiles from life trajectories*  
Julien Eloir, Claire Ducro & Jean-Louis Nandrino
- 57 *Continuity of treatment and supervision from the prison to the community – A case for increased treatment effectiveness*  
Robert Epstein & Tova Helfman

- 
- 58 *Static risk factors in sexual offenders: The predictive validity applying machine learning algorithms*  
Sonja Etzler, Felix Schönbrodt, Reinhard Eher, & Martin Rettenberger
- 59 *The Eradicating Child Sexual Abuse Project (ECSA) – Taking the next steps in prevention*  
Donald Findlater
- 60 *The UK Deterrence Campaign – What we learned from 60,000 online sex offenders*  
Donald Findlater
- 61 *The UK Stop It Now! Helpline – Secondary prevention of the sexual abuse of children*  
Donald Findlater
- 62 *Female psychotherapist and male patient: The influence of gender in forensic (sex) psychotherapy*  
Annika Flöter & Viktoria Märker
- 63 *Future directions in sexual offending: Is treatment effective?*  
Theresa A. Gannon
- 64 *Decreasing the barriers to seek help. – The utilization of Troubled Desire – An online selfmanagement tool for pedophiles and hebephiles*  
Hannes Gieseler, Miriam Schuler, Lea Ludwig, Katharina Schweder, Laura F. Kuhle & Klaus M. Beier
- 65 *Implicit tests in the assessment of sexual preferences: From scientific evidence to judicial proof*  
Marc Graf
- 66 *The relevance of the Hypersexual Disorder for the assessment of recidivism risk in sexual offenders*  
Priscilla Gregório Hertz, Peer Briken, Reinhard Eher, Wolfgang Retz & Martin Rettenberger
- 67 *‘What kind of fucked up family did I come from?’ Exploring the relationship between child sexual abuse, personality disorder and sexual preoccupation among individuals who have previously sexually offended*  
Jackie Hamilton, Belinda Winder, Nicholas Blagden & Kerensa Hocken
- 68 *Empirical methods for revising placement in the standardized risk levels for sexual offenders*  
R. Karl Hanson
- 69 *Release from the sex offender label: Years offence free and dynamic reassessment*  
R. Karl Hanson
- 70 *The predictive validity of rape proclivity measures*  
Leigh Harkins & Shannon Vettor
- 71 *Suppression as an indicator of internalised stigma in people with sexual interests in children*  
Craig Harper, Rebecca Lievesley, Helen Elliott, Georgina Mclocklin & Christine Norman

- 
- 72 *Using narrative humanization to improve social attitudes towards people with paedophilic sexual interests*  
Craig Harper, Ross Bartels, Todd Hogue, Rebecca Lievesley & Nicholas Blagden
- 73 *Do the standardized risk levels improve understanding and interpretation of risk assessment results?*  
L. Maaïke Helmus
- 74 *Sexual violence and secondary prevention: An exploration of opportunities and barriers to implementing a secondary prevention approach to harmful sexual behaviour in New Zealand*  
Heath Hutton
- 75 *An annotated history of risk assessment: The emergence of the VRAG-R*  
Brian Judd, Vernon L. Quinsey & L. Maaïke Helmus
- 76 *The Violence Risk Appraisal Guide – Revised (VRAG-R): Application to European offenders*  
Brian Judd & Vernon L. Quinsey
- 77 *Implicit assessment of pedophilic sexual preference using a modified picture stroop task in combination with fMRI*  
Christian Kärge, Claudia Massau & Boris Schiffer
- 78 *How well do police assessors determine the risk and need of registered sexual offenders?*  
Stephanie Kewley & Saabirah Osman
- 79 *Unpacking CEM offenders: Risk, precursors, and disruption opportunities*  
Eliza M. Kirby
- 80 *A prison-based model of Circles of Support and Accountability: Exploring core member and volunteer experience*  
Rosie Kitson-Boyce
- 81 *Psychosocial characteristics of Lithuanian juvenile male sexual offenders in comparison to nonsexual juvenile offenders*  
Virginija Klimukienė, Laura Ustinavičiūtė, Alfredas Laurinavičius, Ilona Laurinaitytė, Mykolas Baltrūnas
- 82 *Diminished functional connectivity in the resting brain in child sexual offenders.*  
Jonas Kneer, Christopher Sinke, Charlotte Gibbels, Jorge Ponseti, Henrik Walter, Klaus M. Beier, Boris Schiffer, Kolja Schiltz, Martin Walter & Tillmann H.C. Kruger
- 83 *Assessment and treatment of pedophiles who use child sexual exploitation materials*  
Anna Konrad & Laura F. Kuhle
- 84 *Assessment and treatment of pedophiles who use child sexual exploitation materials*  
Laura F. Kuhle & Anna Konrad
- 85 *Pedophilia and online sexual grooming of children in the Dunkelfeld*  
Laura F. Kuhle & Daniela Stelzmann

- 
- 86 *Psycho criminological profile of child sex offenders*  
Mathieu Lacambre, Cindy Prudhomme, H el ena Berthet, Wayne Bodkin, Philippe Courtet
- 87 *Clinical, cultural, historical, political and legal aspects of "Pedophilia".  
Time for clean-up?*  
Thore Langfeldt
- 88 *Hetero- and homosexual orientation and sexual identity in people who sexually  
offend children*  
Thore Langfeldt
- 89 *Challenges of implementing evidence-based practices in sex offender  
management*  
Ilona Laurinaityt e
- 90 *Sound Policy and Practice to Prevent and Address Sex Crime*  
Elizabeth J. Letourneau
- 91 *Informing prevention: Building a picture of non-offending individuals who  
self-identify as attracted to children*  
Rebecca Lievesley, Helen Elliott, Christine Norman & Georgina McLocklin
- 92 *'One a day keeps prison away': Understanding the experiences of individuals  
taking antilibidinal medication to manage sexual preoccupation and  
hypersexuality*  
Rebecca Lievesley, Belinda Winder & Christine Norman
- 93 *Understanding the journeys of individuals taking antilibidinal medication to  
manage their sexual preoccupation and hypersexuality: A case study approach*  
Rebecca Lievesley, Christine Norman & Belinda Winder
- 94 *Childhood adverse experiences, attachment, and sexual victimisation and  
perpetration in a community sample*  
Megan Mardus & Caoilte   Ciartha
- 95 *A knowledge translation informed integrated approach to the treatment of  
sex offenders*  
Liam E. Marshall
- 96 *Effective strategies for working with sex offenders in denial*  
Liam E. Marshall
- 97 *Attraction to physical and psychological features of children in persons with  
pedohebephilia*  
Frederica M. Martijn, Kelly M. Babchishin, Lesleigh Pullman & Michael C. Seto
- 98 *Experiences of sexual and romantic attraction to children and/or adults in  
persons with pedohebephilia*  
Frederica M. Martijn, Kelly M. Babchishin, Lesleigh Pullman & Michael C. Seto
- 99 *Sexual preference and offense status of the clients of the prevention outpatient  
clinic – Influence on the attendance of the therapy*  
Caroline M. Marx, Moritz Baumgarten & Manfred Elmar Beutel

- 
- 100 *A new Viewing Time approach: Assessing pedophilic sexual preference using a combination of behavioral and fMRI data*  
Claudia Massau, Christian Kärgel & Boris Schiffer
- 101 *Supporting the reintegration of released sex offenders: Exploring the experiences of Belgian CoSA volunteers.*  
Liesbeth Merckx & Uzieblo Kasia
- 102 *A feasibility study of integrating structured individual offending pathway analysis into group treatment for individuals who have accessed, shared, and/or distributed Child Sexual Exploitation Material*  
Hannah Merdian, Derek Perkins, Darragh McCashin & Jelena Stevanovic
- 103 *Men who travel to abuse children – The issue of transnational child sexual abuse results from a focus group*  
Hannah Merdian, Derek Perkins, Stephen Webster, Darragh McCashin & Jelena Stevanovic
- 104 *STOP IT NOW! NL The results of an anonymous helpline to prevent child sexual abuse*  
Jules Mulder & Ellen Janssen
- 105 *The relationship between policy and practice of police officers conducting risk assessments using Active Risk Management System (ARMS) during the home visit process*  
Leona Mydlowski
- 106 *Applicability of the self-regulation model to sexual offenders in Singapore*  
Kend Tuck Ng, Priyathanaa Kalyanasundram, Joylynn Quek, Eng Hao Loh
- 107 *Does coping style mediate a link between childhood adversity and problematic sexual behaviour?*  
Caoilte Ó Ciardha
- 108 *Identifying the coping strategies of purportedly non-offending pedophilic and hebephilic individuals from their online forum posts*  
Caoilte Ó Ciardha, Sarah J. Jones & Ian A. Elliott
- 109 *Forms of sexual abuse and the degree of their brutalization, and the perpetrators' attitude to committed acts*  
Justyna Oettingen & Joanna Brataniec
- 110 *Using the Violence Risk Scale-Sexual Offense version in sexual violence risk assessments: Updated risk categories and recidivism estimates from a multisite treated sample*  
Mark Olver
- 111 *Understanding students' perspectives on consent & sexual experiences*  
Alisia M. Palermo
- 112 *Emotional intelligence and difficulties in emotion regulation in a sample of Italian sex offenders*  
Marcello Paltrinieri, Maura Garombo, Maria Teresa Molo & Carlo Rosso

- 
- 113 *An Item Response Theory analysis of the Cognitions of Internet Sexual Offending (C-ISO) scale*  
Sarah Paquette & Franca Cortoni
- 114 *How do sexual interests cluster? A factor analysis of the Sexual Interest Cardsort Questionnaire*  
Sarah Paquette & Sébastien Brouillette-Alarie
- 115 *International Working Group on Best Practice in the Management of Online Sexual Offending – Report launch*  
Derek Perkins, Maggie Brennan, Hannah Merdian, Andy Phippen & Sean Hammond
- 116 *Conducting ethical research with incarcerated sexual offenders*  
Dawn Pflugradt & Bradley Allen
- 117 *Exploring emotional support and social isolation in adult female sexual offenders*  
Dawn Pflugradt & Bradley Allen
- 118 *Female sex offenders and anxiety related to community re-entry*  
Dawn Pflugradt & Bradley Allen
- 119 *“The system is causing these situations” – A qualitative approach to explore the gulf between policy, safeguarding and conduct in teenaged peer on peer online sexual abuse*  
Andy Phippen & Margaret Brennan
- 120 *Anxiety and sexual offending against children*  
Katarzyna Pilarczyk & Maria Beisert
- 121 *Response inhibition and error monitoring in pedophilic child sexual offenders studied by eventrelated potentials*  
Timm Rosburg, Gunnar Deuring, Coralie Boillat, Patrick Lemoine, Michael Falkenstein, Marc Graf & Ralph Mager
- 122 *Treating sexual offenders with testosterone-lowering medication: Who is being treated and how does treatment affect delinquent fantasies?*  
Julia Sauter, Daniel Turner, Peer Briken & Martin Rettenberger
- 123 *Evaluation of the risk of recurrence in sex offenders: An Italian research*  
Franco Scarpa, Barbara Gualco, Silvana Grandizio & Regina Rensi
- 124 *Therapy dropouts in undetected pedophilic and hebephilic men from the community*  
Gerold Scherner, Julia Albrecht & Dorit Grundmann
- 125 *Neurobiological underpinnings of pedophilia and child sexual offending*  
Boris Schiffer
- 126 *“We are not quite there yet!” – A qualitative approach to explore the gaps and future challenges in the field of online Child Sexual Exploitation Material offenders*  
Britta Schumacher, Hannah Merdian, Linsey Raymaekers & Derek Perkins

- 127 *Can transcranial direct current stimulation increase cognitive control in pedophilic men?*  
Michael Seto, Patrizia Pezzoli, Pekka Santtila, Anastasios Ziogas, Andreas Mokros, Natalia Jaworska, Paul Fedoroff & Verner Knott
- 128 *Integrating theories of sexual violence: Incorporating the clinical symptoms of the Pathway Model into the Confluence Model*  
Froso Souroulla Kay & Panayiotis Stavrinidis
- 129 *Hope and hopelessness in the process of promoting change – Evidence from a preventive detention sample*  
Joanna Stasch, Julia Sauter, Katharina Seewald & Klaus-Peter Dahle
- 130 *Differences between pedophile and non-pedophile sexual groomers of children. A qualitative study*  
Daniela Stelzmann, Stefan Siegel & Till Amelung
- 131 *The impact of the German media coverage about pedophilia on help-seeking pedophiles*  
Daniela Stelzmann & Jens Wagner
- 132 *Conceptual overlap between Pedophilia and Hebephilia: Implications for the Screening Scale for Pedophilic Interest – Revised (SSPI-2)*  
Skye Stephens, Martin L. Lalumière, James C. Cantor & Michael C. Seto
- 133 *Offence-supportive cognitions of Child Sexual Exploitation Material users: A validation study of the Internet Cognitions & Implicit Theories Evaluation Questionnaire*  
Jelena Stevanovic, Hannah Merdian & Ross Bartels
- 134 *Attitudes towards sex offenders registry: Media reaction and users' comments*  
Filip Szumski, Krzysztof Kasparek, Paulina Probe & Michał Dolczewski
- 135 *Static factors in sex offenders and sexual recidivism*  
Emilie Telle, Ilena Strzoda, Denis Delannoy & Thierry H. Pham
